3. No Tournament Chair report.
4. The Social Chair report stated that there would be a luncheon starting around 1145-12 Noon on July 17, 2019, in the restaurant. There is a sign up sheet on the Club bulletin board in the Pro Shop.
5. No Handicap Committee report.
6. The Greens Committee representative reported that as of the end of May the Club was \$153,000 short of its projected revenue, and that there was still the perception in the public that the Club was still closed because of storm damage. In fact, the course is in superb condition for play. A marketing person has been hired to sell more public play. The creek in front of the 6th green still needs to be repaired. The Club hosted the Rim Cup on June 24 and took 27 1/2 points out of a possible 36 from its opponent.

The next meeting is August 1, 2019, at 4PM.
